NOTE FOR: Acting Director of Personnel

STATINTL

FROM : [REDACTED]
Deputy Chief, Benefits and Services Division

STATINTL

Plans for filming by NBC change frequently. [REDACTED] of the Office of Public Affairs now indicates they would like to film fencing, football, and auto maintenance. Specific arrangements are forming for football and fencing. Football is to be filmed Saturday morning 19 November. Fencing will be flexible to accomodate whatever is decided on as the scheduled filming date for other areas of the building.

STATINTL

[REDACTED] assures us that there will be plenty of Security personnel on the scene to counsel employees before going "on camera" but [REDACTED] is also alerting the groups in advance.
